

round_to_prec

```
graph LR; A[round_to_prec] --> B[constants::prec_factor]; B --> C[power]
```

A flowchart with three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'round_to_prec'. A blue arrow points from this box to a second, white box in the center containing 'constants::prec_factor'. Another blue arrow points from the second box to a third, white box on the right containing 'power'. All boxes have a thin black border.

constants::prec_factor

power
